

Brent Manor Slowly Returning to “Normal” Guidelines

Inside Service

- We will be doing “traditional” tastings inside the tasting room for groups of 6 or less guests (21 or older only) who have been fully vaccinated. Reservations are recommended as space inside will be limited.
- Reservations are made by calling/texting the Tasting Room at (434) 826-0722, emailing wine@brentmanorvineyards.com, or messaging on either Facebook or Instagram.
- We allow pets on a leash and children outside, but not in the tasting room.

Outside Service

- We will be offering tastings on the patio for groups of 6 or less and flights on the patio or grounds for groups of 8 or less on a first come, first serve basis along with bottles, winetails and wine by the glass (selections will vary and change without notice). **Any group larger than 8 must make a reservation.**
- Ability to offer outside service is dependent on availability as space is limited. You are welcome to bring your own chairs or blankets if you'd like.
- **If you have been fully vaccinated you are not required to wear a mask, but are welcome to do so if you prefer. If you have not been vaccinated, we encourage you to wear one except when seated, and you are required to wear one before entering the building. As space is limited inside only two people being served outside are allowed in at a time.**

Additional Information

- If you are sick or have [COVID-19 symptoms](#), you will not be allowed on the property. Similarly, if you have been exposed to anyone who is sick or has [COVID-19 symptoms](#), please stay home.

- Outside food is permitted and encouraged; we do have our usual light fare items available that will be brought out to you upon request.
